Notes

- The inscription is made using the Gira inscription service and is applied precisely and permanently to the material using laser technology. For an individual design you can choose from various fonts and symbols after registering free of charge, so company or hotel logos can also be integrated. The order is processed by the wholesaler specified during the rocker ordering process.
 - This product can only be ordered via the Gira Inscription Service.
 - Professional labelling with the Gira Inscription Service www.marking.gira.com.
